**REAL TIME TRACKING**  
  
**INDIVIDUAL PRODUCTION**  
  
**COUNTS BY GRADE**  
  
**FULL EMPLOYEE ACCOUNTABILITY**  
  
**TRACK REPAIRS BY TRAILER-LOAD**  
  
**AUTOMATICALLY TRANSFER PALLETS TO STACKERS**

Identify pallets that are not repaired correctly and the Employee who repaired it.

Calculate different piece rates for different pallets for each employee.

Production is no longer treated as a group. Reward employees who work harder.

Take the guesswork out of Pallet Repair Programs.

Your Pallet Company
